

RETRIEVABLE DRILL PIPE SCREEN

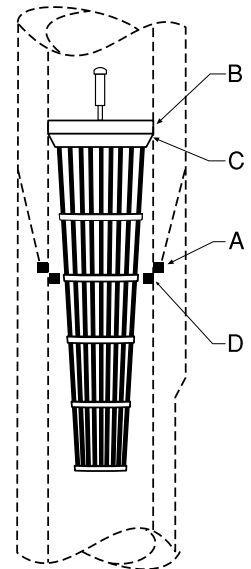

RETRIEVABLE DRILL PIPE SCREEN

The BHDE Retrievable Drill Pipe Screen is built to last longer and work more efficiently. It provides ample durability, increased flow capacity, and greater resistance to flow cut. The stainless steel construction provides strength and resists corrosion even under extreme conditions.

FLANGES IN STOCK

PART NO.	CONNECTION	A	B	C	D
MR512IF	5 1/2" I.F.	5 1/4"	3 1/16"	2 5/8"	2 15/16"
